Living and Learning, Today and Tomorrow.

P7 Transfer Procedures for 20/21.

Dear Parents,

Please see the attached programme for the transfer to post-primary school transfer procedure for 2020/21.

Please note the very tight turnaround time from the issuing of test results to the completion of the transfer "form". The transfer process will be completed online this year, in a post-primary admissions hub, which will be similar to the present primary admissions hub.

There has been no information from the Education Authority with respect to the postprimary admissions hub operations at this stage.

Planning ahead

Principal - Parent consultation meetings will still be available to support parents through the process and indeed with the online process if required.

The following timetable will be implemented to support parents - (appointment times will follow in Jan/Feb)

Non- Transfer test pupils	w/b 1 st March - 5 th March - 9:30 - 4pm
Transfer Test pupils	w/b 8 th March - 12 th March - 9:30 - 4pm
Mop-Up meetings	15 th & 16 th March (12pm)

Kind regards

C O'Neill

Principal

In this timetable where it refers to 'documents in support' of a parent's application this means documentation such as birth certificate (in the case of admission to preschool and primary) and any documentation/information that may be requested in the published admissions criteria of the preference(s) listed by a parent.

In this timetable where it refers to 'additional supporting information' this means information that may not have been available at the time of application and parents have by the deadline date as published to submit same.
